ABOUT THE PURPOSE SUMMIT

The Purpose Summit is a two day event featuring keynote speakers, panel discussions, workshops, and embodiment practice seminars focused on awakening humanity's fullest expressions of personal and collective purpose. The intention of the Purpose Summit is to:

- Explore the role of purpose in human flourishing
- Inspire individuals to connect to their essential nature and express their unique purpose
- Unite all attendees in practice to consciously evolve and embody our collective purpose

The role of purpose in diverse fields will be explored, including wellness, spirituality, individual transformation, social action, business, education, science, government, and technology.
